## Welcome

Welcome to our first production of 2010.

In recent years, we have staged plays at Easter that are by contemporary writers and have something to say about modern life, but with a decent helping of comedy.

One of the difficulties with this approach is that modern writers do tend to apply a liberal sprinkling of strong language. We understand that this is not to everyone's liking, but it is a feature of modern life.

As you will see, this Easter production is the biggest we have staged for a number of years, so I would like to thank Jeff for the work he has done on creating a fantastic set and for his unending enthusiasm. Thanks to Phil for directing and to the cast, especially Jasmine and Chris who are making their debuts.

In 2008, we started donating 50p from each ticket sold to The Mickleover Live at Home Scheme. Since then we have raised over £1000 for them. This year we are planning to extend this so we donate to a wider range of local charities.

Thank you for your support. Enjoy the show!
